

Hello fellow foster parent,

My agency has approved for you to read 3 of my posts and submit a write-up for further training. Please contact your own agency to confirm if it will accept your write-up from reading articles from my blog. Thanks for reading! - Mama Michelle

Complete these questions and submit your write-up to your agency to obtain 1 training hour.

1. Which category did you choose? (Read 3 posts from the same category.)

2. What new ideas did you encounter and how has your thinking changed, if at all?

3. How will you implement what you have learned into your family and unique foster situation? (Will you try something new, take some time to come up with a plan, or get more information before you can clearly identify what needs to be done?)
